IN THE HIGH COURT OF JUDICATURE AT PATNA
Cr.Misc. No.24971 of 2008
SHYAM BIHARI SINGH
Versus
STATE OF BIHAR
---

3. 11.9.2008 Heard.

It is true that prosecution has been lodged through a petition of complaint under section 156(3) of the Code of Criminal Procedure but the support is consistent there in the F.I.R. that the petitioner was demanding a colour TV and motor-cycle and torturing the lady and lastly the lady died.

Considering the material, I do not find any merit in the petition and the same is dismissed.
